NCNP2018 Fall Conference Session Evaluations & CE Certificate Instructions

Listed below are the instructions for session evaluations, and how to obtain your CE certificate:

Click the Webapp link: https://ncnpfall2018.webapp-eu.eventscloud.com/users/login/7746

Login: your email address used at registration
Password: ncnp1234

After login has been completed, click the "Session Evaluations" app, and then click on each course you've attended.

Be sure to click "Submit Evaluation" at the bottom of the screen.

Then Click "Get Certificate"

You will then be on our CEConnection website: http://nursing.ceconnection.com/default

Login: your email address used at registration
Password: ncnp1234

Then complete your account set up.

Note: If you have previously used CEConnection, please use that account login and password.

Then click on "My Planner" at the top tab.

Your sessions should be listed in your account.

Next click on the blue bar under any course, and your certificate will download as a pdf file.

If any sessions are missing, please repeat the steps listed above.

Certificates must be downloaded from a computer (not a smart phone or tablet.) If you view it on a mobile device, the certificate will appear blank.
