Direct contact with more than 2,000 advanced practice clinicians

NCNP is your opportunity to connect with NPs from across the country who practice and prescribe in primary and acute care and a variety of specialties, including diabetes, cardiology, surgery, psychiatry, women's health and emergency medicine.

Who attends?

Type of Practice

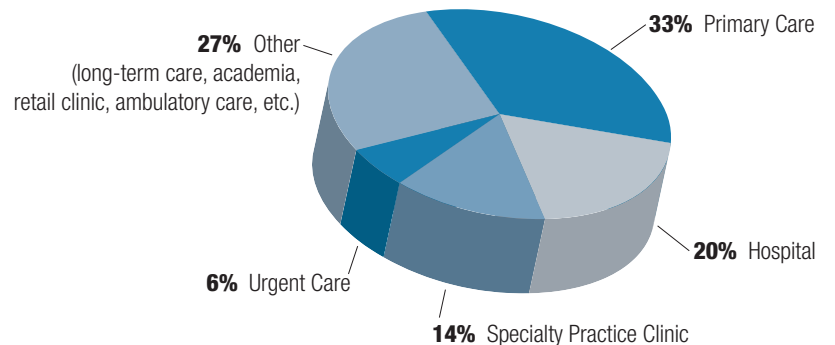

49% have more than 5 years of experience in advanced practice nursing.

NCNP attendees are experienced clinicians.

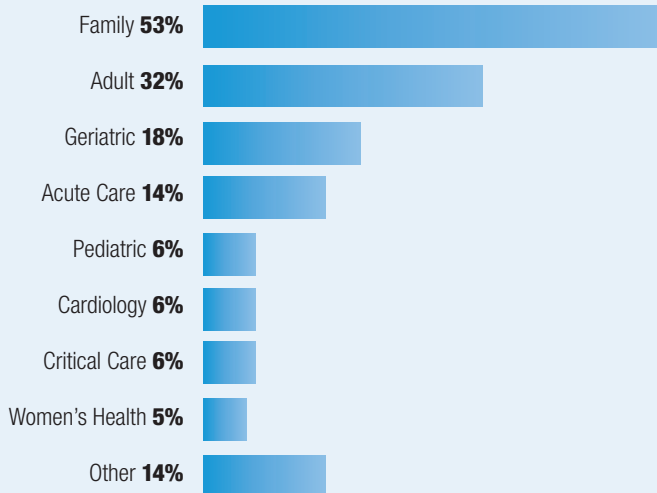

99% said they gained information and ideas at NCNP that will be useful in their work setting.

NCNP attendees come from diverse work settings.

96% said NCNP met their expectation in evaluating current and new treatment methods and therapies.

NCNP attendees represent diverse practice specialties.

NCNP offers 21 contact hours of CE and 17.5 Pharmacology Hours, which is why advanced practice clinicians prefer NCNP over other meetings

NCNP is THE trusted learning environment for those who practice in the primary care or acute care setting. The top-rated conference faculty will attract nurse practitioners from a variety of specialties who are eager to learn how your products and services can help NPs improve care in their practice.
