

NMC2018 Conference Session Evaluations & CE Certificate Instructions

Listed below are the instructions for you to complete your session evaluations to receive your CE certificate:

Web App link: <https://nmc2018.webapp-eu.eventscloud.com/event/index/14226>

Login: your email address used at registration

Password: nmc12345

Click: Sessions Evaluations

Use the dropdown box to select the session, and answer all of the questions—be sure to click “Submit” at the bottom of the page

Repeat this step for all of the sessions that you attended.

Next Click “Get Certificate” and this will take you to our CEConnection.com website

To access your account, please follow the information I have listed below:

CEConnection website:

<https://nursing.ceconnection.com/default>

Login: your email address used at registration

Password: nmc12345

Then complete your account set up.

Note: If you have previously used CEConnection, please use that account login and password.

Then click on “My Planner” at the top tab.

The sessions you evaluated will be listed.

Click on the **blue bar under any session title**, and your certificate will download as a pdf file.

If you are missing any courses that you had attended, please go back to the web app link and evaluate the sessions.
